New Business:

Website hacked:

Nance reported the EPOHOA website was hacked and phished on Nov 3, 2016. Nance paid Sitelock for cleaning the website which cost \$100 and included a six month charge at \$25. per month for six months. (total \$250).

She reported Keith Veler, an individual member of EPOHOA from Norborne-Glebe, who is an experienced IT person, helped her do research to move the website to another hosting service. Because of the scam through Hostgater, she proposed to move to another hosting service during the next six months. Nance and Keith researched Siteground.com which would be efficient and sufficient for EPOHOA. The cost is \$100 per year for Siteground.com which amounts to \$7.95 per month and includes a security plan.

RosaLee moved to reimburse Nance for payment to Sitelock Security in the amount of \$250 for cleaning the website. Connie Suddueth seconded motion. Motion passed unanimously.

Nance moved to appoint Keith Veler, an individual member of EPOHOA from Norborne-Glebe as Co-Webmaster.

Nance will put the protocol in the Dropbox regarding contacts, passwords, and web services. Keith understands, as do all Board members, there is no compensation for volunteer work on EPOHOA.

RosaLee seconded the motion. Motion passed unanimously.

RoseLee made a motion to move EPOHOA website from Hostgater to Siteground.com as quickly as possible. Connie seconded motion. Motion passed unanimously.

Old Business:

There is no charge for members whether they pre-register or not. They will be given a packet of materials.

All non-members whether they pre-register or not will be asked for a nominal donation to cover the cost of the materials.

Bob suggested \$20 donation for non-members who pre-register and \$25 donation for non-members who register at the door.

Membership fees remain as published on the membership form.

5. Recorded Seminars? Tabled.

6. Mail handling process:

Connie Suddueth stated if mail is addressed to a business at a P.O. Box number, anyone

authorized to pick up the mail has the right to open the mail even if there is a person's name in the address.

RosaLee would prefer mail that has her name in the body of the address, not be opened but forwarded to her.

Board developed following guidelines: Nance picks up mail and will forward the mail to the name on the envelope if addressed to a specific person.

7. Quarterly Newsletters:

Bob plans to put out a Quarterly Newsletter. He will work with Nance on this project
