

Dear EPOHOA Members,

On behalf of the entire EPOHOA Board of Directors, I would like to extend best wishes and happy holidays to all our members. As you pause to celebrate family, friends, and faith, make one of your New Year's resolutions to support the Eastern Panhandle Organization of Homeowners Associations which is dedicated to helping you build a better community

In 2017, EPOHOA will be a year of renewed focus on providing the important information needed to handle the business of your community. As we begin our seventh year, members will see a number of changes to enhance value in being a member of the Organization. Information is our product. We will provide vital educational workshops and seminars giving you information needed to handle the business of your community and help you find hidden assets that will turn your association into the quality community you have invested in and protecting your biggest asset, the value of your home!

Your annual support in renewing your membership will be rewarded through exclusive access to the password protected information posted on the EPOHOA.org website. As members you will have free participation in our seminars and workshops. You will receive important information not available to non-members. You will also receive important information through our quarterly e-mail newsletters that would normally take you hours to research on your own.

EPOHOA is growing beyond the Eastern Panhandle of West Virginia to include HOAs statewide and in surrounding areas. Take time at your next homeowners association Board of Directors meeting to make sure your EPOHOA membership is included in your annual budget and encourage your entire Board to attend the education sessions EPOHOA offers.

EPOHOA is dedicated to helping build better communities through sharing information and increasing knowledge.

Happy Holidays,

Robert (Bob) Ayer , President

NO MEETING DECEMBER 17, 2016 IN OBSERVANCE OF THE HOLIDAYS
