

Dear Members of the Eastern Panhandle Organization of Homeowners Association:

As we close out our program year for 2017, on behalf of the EPOHOA Board of Directors, I would like to thank everyone who attended and supported our programs and workshops on topics related to living in and managing homeowner associations. We are an all volunteer-led, non-profit organization of people interested in protecting the value of our homes as well as the quality of life in our communities.

We regularly solicit input about the pressing issues our members face so that we can research information, recruit professional presenters, and provide quality programs. Our Board has been busy planning programs for next year and we look forward to your participation.

Shortly we will be asking for volunteers to stand for election to the Board of Directors. You do not need to be an expert in any of the issues, just willing to learn and help provide programs. It is very rewarding.

On behalf of the EPOHOA Board of Directors I wish you a joyful holiday season and invite you to join with us in a rewarding 2018!

Sincerely,
Bob Ayrer, President
